

1611 KING JAMES BIBLE: CAMBRIDGE EDITION

The Authorized 1611 King James Bible

¶ KING JAMES BIBLE: CAMBRIDGE EDITION: DIGITAL ELECTRONIC TEXT

"...Thou hast magnified thy word above all thy name." (Psalm 138:2).

The Authorized King James Version of the Holy Bible is God's providentially appointed Word for the whole world which reveals the name of the Father as "Jehovah," and the name of His Son, "Jesus," in Whom there is salvation, and the name of the "Holy Ghost," Who indwells every born-again Christian believer.

The standard text of the Cambridge Edition of the King James Bible has been published on this website. You are free to download this definitive electronic text of the King James Bible (KJB). The actual King James Bible text of the Cambridge Edition (PCE) has been presented free of any typographical error, and is completely correct. It is scrupulously exact in typesetting right down to the italics and punctuation.

This precise edition of the King James Bible is wholly based on the received traditional text as was published by Cambridge University Press and by Collins publishers. God's Word is necessary for true salvation. The English Bible has been providentially raised up by God for a great dissemination of the true Gospel.

The Cambridge Edition (first published circa 1900) is the product of the process of textual editing that has occurred since 1611 when the Authorized Version was completed. Please note that there've been **no revisions** of the Bible since the authorized 1611 King James Bible was first released, only **editions** (such as spelling standardization). There is nothing wrong with the unedited Authorized 1611 King James Bible. It contains **no errors**. The standardization of English words does not mean that there are any errors in the original work.

Some people refer to the Cambridge Edition as the "Pure Cambridge Edition," but the word "pure" is improper, because the Words of the Lord are pure (Psalm 12:6-8). To refer to the Cambridge Edition as "pure" implies the the Authorized 1611 King James Bible is less pure or impure. Nothing could be further from the truth. The Authorized 1611 King James Version is pure, because God's Word is pure and the actual translation of the King James Bible has NOT been revised since 1611. So I deliberately refrain from using the word "pure" in reference to any particular edition of the King James Bible, because the original Authorized 1611 King James Bible is as 100% pure as the Cambridge Edition. My intent here is not to diminish the impeccable quality of the Cambridge

Edition; but rather, to uphold the integrity, purity, inspiration and inerrancy of the Authorized 1611 Edition.

Also note that the "original" autographs of the Scriptures were in Heaven before God ever spoke the universe into existence. **Psalm 119:89, "For ever, O LORD, Thy word is settled in heaven."** Thus, the originals do not exist in Greek, Hebrew and Aramaic; but rather, in Heaven where they are settled forever. Before God ever created mankind, the last Word of Revelation was already recorded in Heaven. God's Words are inspired in any language. Don't let anyone discourage you by falsely claiming that the Authorized 1611 King James Bible is less than perfect. It is more than a masterpiece, or the best translation, it is God's perfect and inspired Word! The Cambridge Edition is simply a standardized English copy of God's perfect Word, which He wondrously gave to us in 1611.

The King James Bible is inspired and preserved. God's Word is inspired into whatever language it is translated. God never promised to inspire a language; but rather, His Words (Psalm 12:6-8). The Words of the Lord are pure. Those pseudo-scholars today who claim that only the Greek, Hebrew and Aramaic are inspired are **WRONG**, because God's Word is inspired in English or any other language it is translated into. God's Words were given by inspiration. God promised to preserve those inspired Words and they will always be inspired. A man who teaches that the King James Bible is not inspired is a liar.

¶ ARE EARLIER EDITIONS OF THE KING JAMES BIBLE INERRANT?

Yes, absolutely! A typographical error is not actually an "error" in the Bible, because it is only a presentation error. The fact is that any KJB (of the proper tradition) is still presenting the same text and translation that is correct. The issue is not about "errancy," but about presentation.

Since we do have an inerrant text and translation, yet there are many differing editions of it, we also want to have the edition which has the standard spelling. As a whole, the Cambridge Edition is this.

Use this checklist to ascertain whether the Bible is a Cambridge Edition:

1. "or Sheba" not "and Sheba" in Joshua 19:2
2. "sin" not "sins" in 2nd Chronicles 33:19
3. "Spirit of God" not "spirit of God" in Job 33:4
4. "whom ye" not "whom he" in Jeremiah 34:16
5. "Spirit of God" not "spirit of God" in Ezekiel 11:24
6. "flieth" not "fleeth" in Nahum 3:16
7. "Spirit" not "spirit" in Matthew 4:1
8. "further" not "farther" in Matthew 26:39
9. "bewrayeth" not "betrayeth" in Matthew 26:73
10. "Spirit" not "spirit" in Mark 1:12
11. "spirit" not "Spirit" in Acts 11:28
12. "spirit" not "Spirit" in 1st John 5:8

Did God Only Inspire the Original Autographs of the Bible?

Dr. Jack Hyles (1926-2001) believed that the King James Bible is inspired, as every Christian who loves Jesus Christ does. Pastor Hyles was a champion for the King James Bible and soulwinning. The following quote is taken from his book, *The Need for an Every-Word Bible*, page 54...

"I'm tired of colleges and universities advertising that they use the King James Bible. Tell the whole story! Tell everyone that you do not believe that it is inspired word for word." —Dr. Jack Hyles
